

↘
Your business is invited to participate in United Way California Capital Region's Stuff the Bus!

Stuff the bus is a donation drive for new school supplies, which will be distributed throughout the Robla School District. Our first ever Stuff the Bus event will take place on **September 22nd** at Cal Expo during our Day of Caring Kick-off Rally where we will be collecting all the donated items and stuffing them in the bus!

It's easy for your workplace to get involved! Just follow these five simple steps:

1 SAVE THE DATE

Workplaces are encouraged to have their collection sites open any time before September 22nd. Send an e-mail to Haley Simpson at haley.simpson@uwccr.org and let her know the dates you have chosen!

2 BUILD YOUR TEAM

Is this a staff teambuilding event, or can clients, customers, and the public donate too? Decide what's best for your company culture!

3 SET UP

Find a visible location to collect the school supplies. Use a basket, plastic tote, reusable bag, or get creative with a cardboard box! Don't forget to post supply lists nearby, and plan ahead for additional storage in case your box overflows.

4 SPREAD THE WORD

Send e-mails, hang posters or make announcements at staff meetings to let everyone know when and where to bring the donations.

5 STUFF THE BUS

To ensure proper deliver to schools, all donations must be delivered to Cal Expo on September 22nd.

Thank you for helping us STUFF THE BUS!!
