

**YOUR TAX
REFUND
MAY BE
DELAYED...
BUT IT'S
COMING SOON!**

**Take advantage of the many
tax credits available this year.
But also plan for your refund
to be slightly delayed.**

A new law requires the IRS to hold refunds for certain tax returns claiming credits until Feb. 15. **All paid and free preparers** must follow this new delay rule.

Here are some tips:

- ▶ Don't rush to pay to file your taxes hoping for a refund before Feb. 15.
- ▶ Don't sign for a refund anticipation loan – it's way too costly!
- ▶ Don't pay someone to prepare your taxes if you qualify for free tax preparation.
