

6th Grade Literacy

Instructions

1. Read the chosen passage aloud to the students
2. Have the students read the passage aloud at an appropriate pace. Make sure they read the passages correctly with proper punctuation and expression.
3. After the students have read the passage ask them the questions that follow the passage and have them answer either in writing or in discussion.
4. Ask them to define the vocabulary words to the best of their abilities. Correct them as needed.
