

## -- Kool-Aid® Play Dough --

Making homemade play dough is a simple and fun activity. It is really easy and kids love to help with the mixing! Plus the Kool-Aid® makes it smell great.

### **Supply List:**

- 1-1/4 cups flour
- 1 package unsweetened Kool-Aid®
- 1/4 cup salt
- 2-1/2 tablespoons vegetable oil
- 1 cup of boiling water

Step 1: Mix flour, unsweetened Kool-Aid® and salt in a large mixing bowl (this is a great step for your kids to help with).

Step 2: Mix in the vegetable oil and then have an adult add in the boiling water

Step 3: Continue mixing until all ingredients are thoroughly incorporated. Don't worry, the Kool-Aid® won't come off on your hands when you play with it.

Step 4: Keep the flour out and add a little bit at a time if it seems too sticky. When you are all done, you can play!
