

CALLING ALL VOLUNTEERS!! Bear Valley Y Camp

PROJECT 500 YMCA WORK PARTY – June 15th

Bear Valley exists because of wonderful volunteers. Join us for the annual Project 500 Work Party where we seek to complete 500 hours of volunteer service in one day.

This is a fun day in the High Sierra with fresh air, fellowship, great food and helping the Y!

Projects include preparing cabins for the season, fire prevention, painting, setting up program areas, and basic carpentry. If you have special talents (electrician, bike repair, plumbing, etc... please let us know)

Volunteers are welcome to arrive Friday evening and stay through Sunday (bring a tent or let us know if you need a cabin). Families are welcome, we will offer kids activities Saturday from 9-11:30 am and 1-3 pm. We ask that you supervise your child at all other times.

You provide the work power and we promise great food. Starting with a Cracker-barrel on Friday night; breakfast, lunch and snacks during the day on Saturday; BBQ dinner Saturday night, and breakfast on Sunday. Campfire Saturday evening!

Project 500 Work Party happens rain or shine.
