

OCT/NOV

YLS REMIX 2020

Oct 6 - Oct 27 - Nov 17
5:30 p.m.

Join us for this fresh and virtual professional development series as we REMIX the rest of 2020!

The challenges of this year have tested our community's creativity and resilience. As we work remotely or differently in light of the COVID-19 crisis, it's important that young professionals continue to build professional and leadership skills while also taking time to support their personal well-being and the health of their communities.

The **Presenting Sponsorship** will position you in front of a young professional audience at all three of the event dates with exclusivity at the 11/17 date. The **Community Sponsorship** will allow you to select either the 10/6 or 10/17 event topic that aligns with your company goals.
