WE’RE GOING EVEN BIGGER

OUR VISION
To build stronger, healthier, more compassionate communities in our region by partnering with local employers and nonprofits to improve people’s lives.
Thank you! This past year we asked you to join us as first responders to the needs in our communities and you really stepped up! You helped more children stay on track in school, more families and foster youth become financially stable, and helped our United Way provide over 125,000 healthy meals to children struggling with hunger. You also donated more than $7 million to help meet basic needs across our region and volunteered 7,344 hours. These are just a few examples of how, together, we are changing the lives of thousands of children, families and adults.

Now, we want to GO BIG! In this annual report, you will meet a little boy named Max who is like many children living in poverty in our region. We are making a bigger difference for children like Max and their families that will help break the cycle of poverty. We hope you’ll join us.

In partnership,

Stephanie McLemore Bray
President and CEO

James R. Shetler
Chair, Board of Directors
GO BIG OR GO HOME

For years, we’ve brought people together as first responders on needs in the Sacramento region and changed the lives of hundreds of children, families and adults.

Now we’re aiming for thousands. We’re leading the charge and calling it COLLECTIVE IMPACT:

1 WE CAN MAKE A BIGGER DIFFERENCE by recognizing that people’s education, financial stability and health are linked.

2 WE CAN MAKE AN IMPACT FOR GENERATIONS by recognizing that these challenges often are passed down in families in a cycle.

3 WE CAN REACH THOUSANDS OF LOCAL PEOPLE IN NEED when we bring together companies, schools, government and individuals across the region, state and country.

HERE’S HOW IT WORKS...

Max’s family can’t afford nutritious food so he’s always sick.

Since Max is sick, he misses school and falls behind on reading.

Since Max falls behind on reading, he doesn’t graduate from high school.

Since Max doesn’t graduate, he can’t get a job that pays enough.

Since Max can’t get a job that pays enough, he can’t afford nutritious food so his son is always sick.

THE JONES FAMILY ON THEIR OWN
Max’s family can’t afford nutritious food so he joins our Healthy Meals Program and his family learns money management through our financial stability work.

Since Max is eating healthy, he misses less school and catches up on reading through our education work.

Since Max improves his reading, he graduates from high school.

Since Max graduates, he can get a job that pays enough.

Since Max has a job that pays enough and knows money management, he can afford nutritious food so his son is healthy and ready to learn.

YLS YOUNG LEADERS SOCIETY

265 PEOPLE DONATED MORE THAN $29,000 TO UNITED WAY’S HYDRATION STATION INITIATIVE so kids will have access to healthy drinking water to combat childhood obesity.
Our local United Way focuses on three areas that intertwine to impact people's lives: education, financial stability and health. This past year, we celebrated many accomplishments in each of these focus areas.
**EDUCATION**

Our team worked to ensure young kids were reading at grade level so they would be more likely to graduate from high school.

We expanded the **CAMPAIGN FOR GRADE LEVEL READING** in our region, launching a summer reading literacy campaign by providing summer learning in a box for parents and children.

41% of 739 kids in our programs who were not reading at grade level now are.

**HEALTH**

We brought partners together to help kids eat well and exercise so they will be healthy for the rest of their lives.

United Way’s YOUNG LEADERS SOCIETY raised funds to install HYDRATION STATIONS in 2015/16 so kids can drink more water during the day.

96% of the 4,190 kids in our programs improved on the school Fitnessgram test.

**FINANCIAL STABILITY**

We worked together to help families and foster youth increase their savings so they could improve their economic outlook.

86% of the 413 adults in our programs demonstrated better financial skills.

90% of the 336 foster youth earned in matched savings accounts with help from United Way’s WOMEN IN PHILANTHROPY members.

We helped **4,097 HOUSEHOLDS** file taxes through the VITA program and MyFreeTaxes.com and will now lead the 2016 VITA effort.

**WE SERVED** 125,000 AFTER-SCHOOL MEALS AT SIX SITES through United Way’s local HEALTHY MEALS program.

Along with our larger focus on health, education and financial stability, we recognize that individuals and families may need assistance to meet their immediate needs. Through generous donations, United Way California Capital Region put $7 MILLION in the community to help local nonprofits address basic needs.

*For a full list of certified partner agencies, visit YourLocalUnitedWay.org/Certified-Partners*
From our volunteer leadership to our corporate partners and workplace giving campaigns, our community partners continued to donate generously this past year. They not only gave their time, vision, money and volunteers, some also donated employees – loaned executives – to work at United Way for a few months to help with the campaign.

Organized labor and working families made a powerful, positive impact in our community through their work with United Way this year. Of our top 100 workplace giving campaigns, 80 were in partnership with employers who have work groups represented by organized labor.

As part of the national Community Services Labor Liaison Program, we worked with 110 of our local unions representing more than 171,000 members to make sure unions and members received direct support in difficult times and helped others in the community:

- UNION TEAM DONATE Campaign
- Earned Income Tax Credit/ Volunteer Income Tax Assistance Program
- Labor/Community Services Breakfast
- National Letter Carriers Canned Food Drive
- Toilet Paper Drive
- California State Fair Labor-United Way Community Services Booth
- Labor Day Loaves & Fishes Lunch Program
- Tom Lawson Community Impact Golf Tournament
- Holiday Canned Food Drive
- Operation Christmas Basket Program
- Starr King Elementary School Holiday Program

Through our 67-year-old partnership with the AFL-CIO Community Services Committee, we worked on multiple projects:

- AFL-CIO Member Assistance Program
- Organized Labor Support for Nonprofit Community
- Volunteer Projects
- When The Paycheck Stops Resource Catalog
- Tom’s Closet (AFL-CIO Food Closet)
- Veterans & Labor – Partners in Service Program
- Volunteers Organizing Against Disaster Committee
United Way donors played a crucial role in ensuring our Collective Impact work was successful at meeting needs in our community. From individual givers to our action groups, our dedicated donors kept us moving forward.

UNITED WAY’S TOCQUEVILLE SOCIETY

United Way’s Tocqueville Society honored our profoundly generous donors who devoted their time, talent and resources, giving at least $10,000 to United Way this past year.

We created our Retiree Giving Club this year for donors who are retired or close to retiring and want to put their experience and passion to work in their community. Members gathered for volunteer activities, fundraisers, events and more.
We worked this year to bring Student United Way to Sacramento State, and the group will meet during the 2015-2016 school year. Student United Way will bring together college students who are passionate about improving people’s lives and making their community better. They will create connections to like-minded students and young professionals, and benefit from invitations to United Way social and networking events and opportunities for volunteer projects.
These special donors gave at least $1,000 to United Way this past year, enjoying special volunteer and networking opportunities and frontline information about the issues we are tackling together.
