

COVID-19 LOCAL RELIEF FUND

We partnered with nonprofit partners across our five-county region to identify low-income families whose lives were disrupted by the outbreak to ensure they received the help they needed.

We also partnered with **Donate4Sacramento** – all dollars donated to the Support Families area were distributed to Sacramento families through our fund.

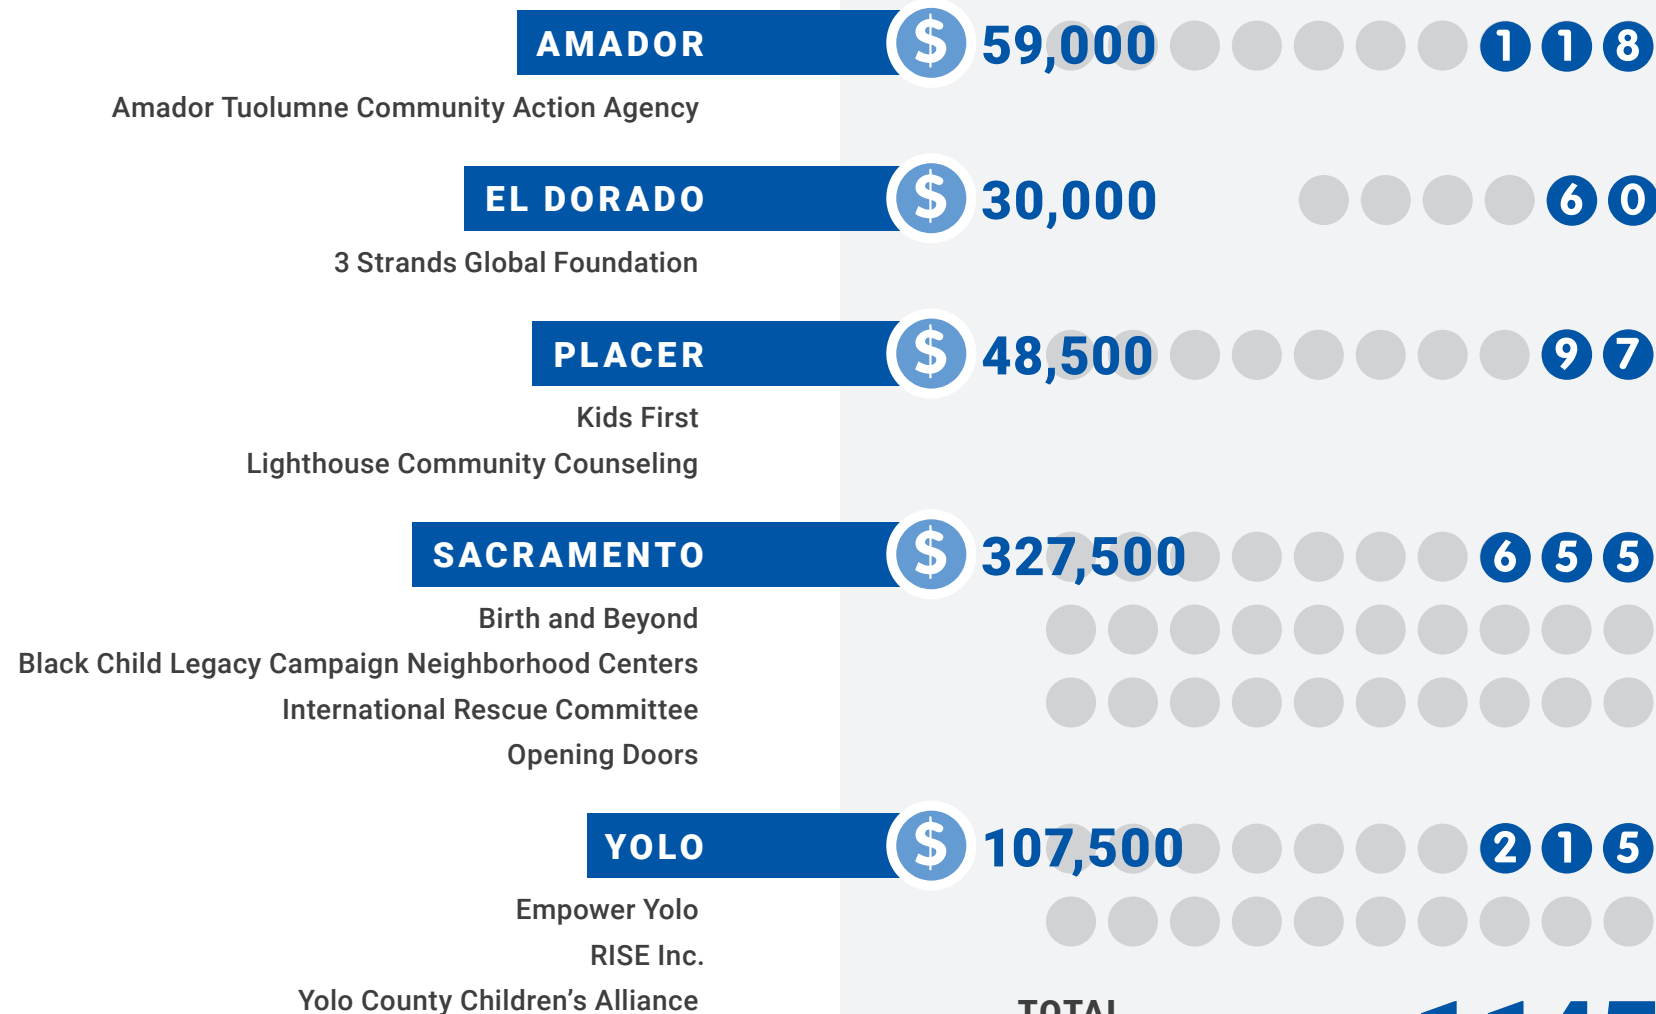

During this period, we also distributed **6,500** books to students in Woodland for summer reading.

WE WORKED WITH **11** nonprofit partners who identified LOCAL FAMILIES IN NEED

WE RAISED MORE THAN **\$572,000** in order to provide families with a one-time **\$500** distribution to help with rent, bills and basic needs.

"It's very meaningful to me to receive this funding because I can continue paying my bills and provide food and clothing for my children. When I learned that the funds come from people in the city, I was very grateful to see how they care about the community and that they are always willing to help others during hard times. Thank you United Way for making this possible."
